

JOHN B. SALTERINI COMPANY, INC.

Salterini's new wrought iron designs by Maurizio Tempestini include chair on wheels that has matching sofa, glass-topped magazine-coffee table. Marble table, above, is suggested for games, luncheon.

MOLLA, INC.

Molla gaily curlicues wrought iron for Shell Back chair in arm and armless versions, below, in many finishes; can be had with round table in same spirit.

More from Molla: Sitting Duck chair above has seat and back of black or white duck, offered with contrasting wrought iron frame. Strict geometry governs design of Modern Classic chair, right, also available with arms.

Daystrom does a long, slender table and light looking chair with black, chrome, or bronze finish metal tubular frames and legs. The table, 28 by 61 inches when the two ten-inch leaves are dropped, has thermoset plastic top, and the chairs are covered in coordinated plastic. Designed by Karl Kipp.

DAYSTROM, INC.

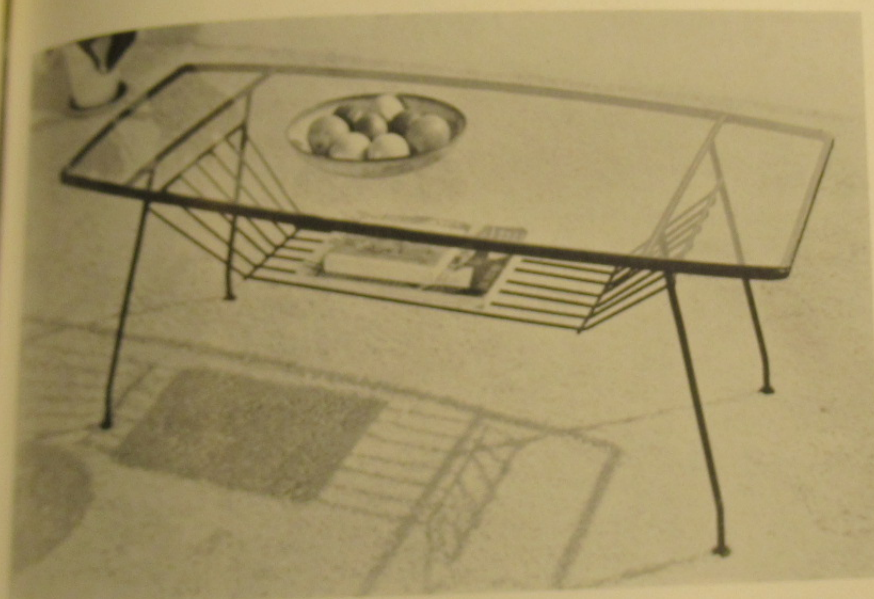

DWIGHT FURNITURE COMPANY

Dwight specializes in lightweight, durable magnesium furniture in natural silvery or brass finish. New items include two drawer desk with walnut or Formica top, and game table and chair covered with Pigs-kin leather tiles.

Salterini's *new wrought iron designs* by Maurizio Tempestini include chair on wheels that has matching sofa, glass-topped magazine-coffee table. Marble table, above, is suggested for games, luncheon.
